Commission Regulation (EC) No.2023/915

Foreign Body Contamination: All our products have been processed in accordance with HACCP Food Safety principles to prevent the likelihood of foreign body contamination.

Extraneous Matter: Whilst all due and practical care has been taken to ensure this product is free from extraneous matter, Unbar Rothon Ltd cannot guarantee that such materials will be totally eliminated given the conditions of growing and subsequent processing of primary agricultural products.
Where the product contains rubbed herbs they may contain stalk-like material relating to the rubbed herbs.

Pesticide Residue: The material complies with E.U. legislation concerning pesticide residues in force at the time of harvesting.

Genetic Modification: This material has not been genetically modified and has no constituents that are genetically modified or derived from genetically modified materials.

Packaging and Labelling

Contact Packaging: (EC) No. 1935/2004:All packaging materials in direct contact with the product conform to current UK/EC Materials and Articles in Contact with Food Legislation.

Labelling: All goods will be labelled with their name, product code, batch number and 'best before end' date.

Shelf life and Storage

Shelf Life: 12 Months

Storage: Store in a cool, clean, well ventilated area away from direct sunlight at temperatures between 8 to 15 °C

Infestation: Although every care is taken to ensure that goods are sent out free from infestation there is always the possibility that incipient infestations could be present and be undetected at the time of despatch.

Health & Safety

Safety Data Sheet is available on request.

Legislation

This product conforms to the requirements of the Food Safety Act 1990 and to all relevant regulations and codes of practice made under the above-mentioned Act.

The components of the flavourings comply with REGULATION (EC) No 1334/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 December 2008 on flavourings and certain food ingredients with flavouring properties for use in and on foods and amending Council Regulation (EEC) No 1601/91, Regulations (EC) No 2232/96 and (EC) No 110/2008 and Directive 2000/13/EC.

The information contained in this data sheet is accurate to the best of our knowledge at the indicated date and remains our property. It is the user's responsibility to ensure that the conditions and possible uses of the product conform to current laws and regulations.
