## Paper Bags

Printed Kraft Gum Seal Counter Bags are a high class alternative to plastic counter bags and make for a great modern way to present your cuts of fresh meat and poultry. The kraft paper prevents meat from sweating yet maintains a leakproof pack. These bags are fridge and freezer safe to make the perfect pack for your meat! Simple to use in store – Just remove the gum strip tape cover, and press seal using the prefolded flaps.

Available sizes: 200 x 300mm, 250 x 300, 360 x 300, 300 x 450

Strong Brown Kraft Carriers with a Twisted Handle, these classy carriers make a great eco friendly substitute for polythene.
